Our Motto: "Supporting our Troops, Past and Present"

COMMANDERS CORNER

As I write this, the weather outside seems almost fall like, and the State Fair hasn't even started yet! I hope that isn't a sign of the weather to come. Speaking of Fall, the kids are headed back to school (if they aren't there already.) Our Auxiliary Unit is collecting school supplies to donate to a local school or schools. If you happen to be at one of the stores carrying the school supplies, how about picking up a few things and bringing them to the September meeting? Things like pencils, notebooks, crayons, Elmers glue, etc. Some parents just don't have the money for everything, and we can help them out. Lets see if we get enough that I have to use my truck to deliver them!

I want to thank everyone that assisted in the No. St. Paul Veterans Park Dedication ceremony and the reception afterwards at the Post. Also, to the leadership of the Post for the help at the 2nd Annual Legion Family Picnic at Hause Park. It was much appreciated! Our next major event will be the Fall Conference at Pequot Lakes in October. This is a training and learning event. I will be appointing the people that will attend, and I will be leaning towards those that are new to leadership positions.

Now lets get out there and find some members!

Commander Larry

When a Legion 39 member passes, there is no cost for the Honor Guard to attend the members service.

All Donors Give From The Heart

Give the gift of life. Be a Blood donor. Each donation could save up to three lives. Under normal circumstances, about every two seconds someone in America will need a blood transfusion. Only about 5 percent of Americans who are eligible to donate blood actually do.

The next Blood Drive at the VFW in North St Paul, will be Nov. 2, 2015 at 1:00 P.M. until 6:00 P.M. downstairs. Call Joanne Brown at 612-840-3610 for an appointment. If you would like to donate we would love to see you.

Hi Ladies,

Our Auxiliary year is underway. Our picnic was bigger this year than last and we saw some new faces and met some new people. We have invited them to come and sit in on a meeting to see if they might be interested in joining the Auxiliary.

We have been asked by Department to increase our membership this year and our goal for this year is 230. If you are a member, bring a friend that is eligible to join to a meeting. Please help with this.

The one thing that I would like to do this year is talk about a program so that everyone can find out what we do and who we help.

Please bring school supplies to that meeting and we will donate them to an area school, which we will discuss at the meeting. Also bring your ideas and friends and get ready for a new year.

We are also looking to get the Junior Program going. We will be discussing this also and all the benefits of it.

There is something at the Post for everyone. All are welcome.

God Bless America
